

Sarasota Garden Club
EDUCATION Committee Event
Thursday October 9, 2025

Leaf Manipulation Hands-on Workshop

Add an extra element of interest and design to your creations using leaf manipulation: the deliberate alteration of a leaf's natural form to create new textures, shapes or patterns.

Demonstration and Instruction given by our well-known and very experienced floral designer - **Betty Call**

Thursday October 9
10am start – finish @ 12.30pm
@ Sarasota Garden Club

Reserve your place by contacting
Angela Bennink
angelabennink@yahoo.com

908-902-0266

Register by: October 7

You will be doing leaf manipulation on Sansevieria, as well as a French braid, and plaiting Areca palm leaves.

Betty will also demonstrate a number of other creative designs.
