# FFGC AWARD OPPORTUNITIES for AMATEUR NATURE PHOTOGRAPHERS

**The Florida Federation of Garden Clubs recognizes and awards outstanding digital photographs taken by FFGC/SGC members who are non-professional photographers.**

Photographers may submit one entry per Class; each entry shall be a collection of five digital photographs.

| Class | Photographs of …… | Description |
|---|---|---|
| **A** | **Birds and/or Butterflies** | *Submit five digital photographs taken in a natural setting (not confined in a show setting). Include brief description identifying each bird/butterfly and give location where each picture was taken.* |
| **B** | **A Landscaped Florida Garden** | *Submit five digital photographs of a landscaped Florida garden with a brief description of the various locations depicted in the collection. No people should be in the photographs.* |
| **C** | **A Florida Wildflower** *(preferably in its natural habitat)* | *Submit five digital photographs of one species of a Florida wildflower. Two should be designed to show the micro-environment and three should be close-ups of different plants in same location.* |
| **D** | **A Flowering Tree Growing in Florida** | *Submit five digital photographs of a flowering tree in bloom and growing in Florida. Two photographs should show the entire tree viewed from different viewpoints. Three of the photos should be close-ups of individual blooms or branches.* |
| **E** | **Plants on the Florida Conservation List** | *Submit five digital photographs.*<br>*Plants should be photographed in their natural habitat.* |
| **F** | **Plants in one of the following subjects:** | *Submit five digital photographs of:*<br>• *Plants in specific garden or*<br>• *Lifecycle of a specific plant or Florida Scenery* |

**All digital photographs should be in JPEG format.** The following information should be provided for each photograph:

- Names of birds and butterflies
- Location where photographs were taken
- Botanical names of plants (help can be provided)
- Dates when they were taken
