The **Honor Brick Path** runs through the SGC's Butterfly Garden and consists of personalized member & non-member bricks. Bricks are sold, ordered and installed by this interest group.

*Honor a loved one or special occasion with an engraved brick that will become a permanent part of the Gardens, along our walk in the Butterfly Garden. Your brick can be engraved with names, dates, places, or personal messages. Remember your Wedding day at the garden with a brick, Anniversaries, Birthdays, Graduations or any other special event. Purchasing multiple bricks gives you more space to create the perfect message too. A single brick is available for a donation of \$100.00.*
