Sarasota Garden Club Presents Events You Will Absolutely LOVE!

Upcoming Events - Friday Is Florida Arbor Day, Jan 19 - 10:15 am

Members and Press are Invited to Florida Federation of Garden Club's 100th Anniversary!
Oak Park Elementary School **7289 Hand Rd.** Need Driver's License to attend.

Florida had the 1st official Arbor Day (if you want a copy of the Sarasota County Proclamation - Let me know!) Florida Arbor Day since 1886 (this is the best day for planting trees here in FL - Arbor Days elsewhere are in April.)

The Sarasota Garden Club will be planting a Gumbo Limbo Tree (which invokes a Sunburned Peeling Tourist.) Sarasota County Proclamation available.

SGC - Gardens In Paradise - All are Invited Saturday, March 23 - 9:30 -4:00 am

5 Exclusive Fantastic Private Gardens in Self-Guided Tour with an awesome lunch at the Sarasota Garden Club available at 1131 Blvd of the Arts, Sarasota downtown.

Sign up on: <https://www.SarasotaGardenClub.org> Calendar and click events...

Under Upcoming Events.

Sponsorships and Vendor Opportunities exist! Press attends for free.

Call Christy May 941-462-4060 for more info.

Suncoast | Community | Commercial | Re-Development | Preservation

**The Awards Luncheon will be at the Sarasota Garden Club Monday January 29
at noon when the awards will be announced!**

This is by invitation only - all press and all contenders are invited and are free!

###The first Sarasota Garden Club Circle was organized May 6, 1927, and named Founders Circle, with Mrs. John (Mabel) Ringling as its first President. After many years of planning and saving, the Garden center was built in 1959 on land leased from the City of Sarasota. Over the years the Sarasota Garden Club has undertaken many projects of civic beautification and has been involved with the community in awareness of environmental concerns. The Club has promoted knowledge of floral arts, gardening, conservation and the preservation of our fragile ecology. Our good neighbor-the 53 Acre Bay Park Conservancy is now helping manage events and operations.
