

This year's fashion show Shivoo Monte Carlo on January 25th at the Hyatt across the street is all about fun, shopping, good food, live music, beautiful couture by The Foxy Lady and Trips! Trips! Trips! and more Trips!

This SHIVOO Monte Carlo Fashion Show brings a bit of Monte Carlo flavor to the Sarasota Hyatt Ballroom for a Friday Fashion luncheon. This exciting event begins with a silent auction and social hour, opportunity for selfies and photos by Rick, vendor table shopping, drinks and hors d'oeuvres. Music will fill the halls. There will be fashion, there will be color, there will be music, there will be cocktails, there will be a chance to win a \$1,000 shopping spree at Foxy Lady on St. Armands, our Couturier! We have a silent auction including 009 trips from our AMFund 007 Sponsor and of course, the opportunity to support our local community. The world over people strive for the betterment of their communities. Sarasota Garden Club strives to keep Sarasota a wonderful place to live. Our mission: Preserving our gardens and our historic landmarks while promoting the environment, conservation, and civic beautification through education and programs.

We give high school students scholarships for college, help seniors with garden therapy, develop gardens for Habitat for Humanity, maintain gardens throughout the city, arrange horticulture programs, support coral reef restoration, the Girl Scouts, and so much more. SGC invites you to support our community while enjoying an afternoon in Monte Carlo!

Visit the website, SarasotaGardenClub.org for more information, to get tickets, and to sponsor! Don't miss this one! It is NOT your average fashion show. Let's Shivoo!
